One of the foundations of Christian justice is the recognition that God has abundantly provided for creation. Stated more simply, there's enough to go around! But the idea of abundance is radical in a culture that constantly asks if there is enough for everyone. The St Peter's Ministry of Vision in Mission invites you to join us each Sunday in May as we explore the theme of abundance in our worship together.

Week 1 – Abundance in Creation:

In thanksgiving for the abundance found in God's good creation, our worship time will include a "Blessing of the Seeds." You are invited to bring your own garden seeds for blessing, and to join us in blessing our St Peter's Community Garden and its' seeds.

Week 2 – Abundance of Grace:

The Bible speaks of the promise of abundant grace for all, and yet we sometimes struggle to share the gift of grace as freely as God does. Opening ourselves to the promise of abundant grace for all, we will give thanks and pray for our St Peter's Prayer Shawl ministry.
